

Interim Rule R5-201: Paid Time Off for University of Utah Hospitals and Clinics Staff Members

I. Purpose

The purpose of this rule is to align the paid time off for staff of the University of Utah Hospitals and Clinics (UUHC) with the practices of peer health care institutions and the needs of hospital and clinic operations while creating flexibility for a diverse workforce, allowing employees to own all of their accrued time and reducing unscheduled absences.

II. Definitions

- A. Paid Time Off (PTO): PTO refers to accrued time that may be used by employees for any personal reason, including but not limited to observance of holidays, vacation, sick leave or other health related absences. PTO will also include holidays and personal preference days, which will not be provided separately. (This rule does not however, affect UUHC holiday pay practices.)
- B. Extended Sick Leave (ESL): ESL refers to sick leave accruals earned during UUHC employment prior to implementation of this PTO rule.

III. Rule

- B. ESL Eligibility: UUHC staff members employed at the time this PTO rule is implemented are eligible for transfer of their sick leave balances to ESL. Employees hired after PTO implementation, including former UUHC employees rehired after PTO implementation and employees who transfer to UUHC after

PTO implementation from non-UUHC positions with the University, will not be eligible for ESL.
