III. DEFINITIONS

Official Document - For the purpose of this policy and procedure, an "official document" is a written agreement, proposal, or other formal instrument regarding a course of action or the expenditure of university funds which is intended to be binding upon the university.

Authorized Signature - The actual signature of the responsible individual authorized to sign official university documents as outlined in this policy. A rubber-stamped signature is not acceptable on official documents.

Authorized Alternate Signature - The actual signature of the individual designated by the principal investigator, department chair/head, director, dean, or vice president to act in his or her behalf in matters requiring signatures on official university documents as outlined in this policy. The individual designated as an authorized alternate will sign his or her own name and not the name of the higher supervisory officer who made the designation, or of any other person.

IV. POLICY

A. The originator of an official document shall route the document to the office of the appropriate university officer for review, processing, and signature after obtaining necessary approval and/or signature of the department head, dean, or director.

B. Exceptions to the signature requirements of this policy may be authorized by the president or the appropriate vice president when special circumstances or emergency conditions make strict compliance impracticable. Authorization shall be in writing and filed in the office of the vice president for administrative services.

C. Official documents with significant legal implications should be forwarded to the university legal counsel for review before execution by the appropriate university officer. Documents such as summonses or subpoenas may be received and signed for by a university officer as appropriate, but should be referred to the legal counsel for review before any action is taken.
