

Appendix A: Committee Composition Update

In response to the changes in the Tenured Faculty Review procedures, the Department of Linguistics propose the following update to the composition of the TFR Committee as described in the TFR Statement.

Current TFR Committee Composition

“The Executive Committee will comprise the Post-Tenure Review Committee. All Executive Committee members being reviewed will recuse themselves entirely from their review and from any review involving a potential conflict of interest. In the event of a post-tenure review of the Department Chair, the Executive Committee will elect one of its members to take over the duties of the Department Chair for the Post-tenure review of the Department Chair. The cover letter to the Dean will explain the situation.”

Proposed TFR Committee Composition (TFPS beginning Spring 2025)

“In each TFPS, there are 2 tenured faculty members appointed by the department chair.”

This proposal has been proposed to the Tenure-line faculty of the department.
