RE: Interim Policy 1-021 Respectful Conduct; Rule R1-021A University Staff and Academic Non-Faculty

Dear President Watkins:

Earlier this year, the Utah Legislature passed the Abusive Conduct Reporting Amendments, H.B. 12. This bill addresses abusive conduct by and towards employees in state government; it requires the judicial branch and any employer within the Utah System of Higher Education to provide training to their employees regarding abusive conduct and to create a policy for reporting and resolving abusive conduct among their employees. The deadline for compliance is January 1, 2021.

To create this policy, University Human Resource Management (UHRM) has worked with University of Utah Hospitals and Clinics Human Resources (UUHC HR), Campus Academic Affairs, and University of Utah Health Academic Affairs. The UHRM Training and Development team is working on the mandatory training. Training will be sent to all employees in January 2021.

Due to the quick timeline given by the State Legislature, an interim policy has been created along with an interim rule for Campus Staff/Academic Non-Faculty. UUHC-HR, Campus Academic Affairs, and University of Utah Health Academic Affairs are also developing interim rules regarding processes for resolution of reported cases.

Attached, please find the draft interim policy and rules that provide the necessary clarifications. I am requesting that you use your authority as President to implement this policy and rules on an interim basis. The draft has been vetted and approved by the Office of General Counsel, Office of Equal Opportunity and Affirmative Action, and Robert Flores. It will be presented as an informational matter to the Institutional Policy Committee, the Executive Committee of the Senate and the Full Senate at their next meetings. UHRM, UUHC HR, Campus Academic Affairs, and University of Utah Health Academic Affairs will then continue to work on a more complete rewrite of the Respectful Conduct Policy, along with rules regarding the process for resolution with the goal of moving those rewrites through the approval process (including the issues clarified in the interim policy and rules) by January 1st 2022.

Sincerely,
Enclosure

cc: Robert Flores

Interim R1-021-C Abusive Conduct Reporting and Resolution Process for Faculty

I. Definitions:

Faculty Member: The term "faculty member" includes a person employed by the university as the president, vice president, director of libraries, dean, professor, associate professor, assistant professor, instructor, librarian, associate librarian, and assistant librarian, including a person holding a Career-line (research, clinical, lecturer), Adjunct and/or Visiting faculty appointment, whether or not that person is employed by the university in a full-time capacity.

II. Process:

The process for filing an initial complaint and a formal complaint is governed by the Code of Faculty Rights and Responsibilities (6-316) and the Functions and Procedures of the Senate Consolidated Hearing Committee (6-011). A summary of the processes are below. Please see full policies for specifics.

III. Initial Concern:

The University encourages informal resolution of problems and affected persons are urged to discuss their concerns with the following:

1. The involved faculty member and/or
2. The relevant department chair and/or dean (unless either is the complainant or respondent).

Please note that informal resolution of concerns by mutual consent of all parties is highly desired and is appropriate at any time. Use of a qualified mediator should also be considered as part of this process.

Please see the university directory to determine the appointment home of the faculty member.

IV. Formal Complaint (if informal resolution not reached through the process above):

If informal resolution is inappropriate or not achieved within 30 days, any person directly aggrieved by the allegation or any faculty member, student or staff member may file a complaint alleging a violation of the rules of the faculty code by a faculty member.

Complaints of violations of the abusive conduct policy that have not been able to be resolved informally may be filed in the office of the Senior Vice President for Academic Affairs or the Senior Vice President for Health Sciences, depending on the department of the responding faculty member. If either vice president is the complainant or the respondent, the other vice president shall act under these rules. The cognizant Vice President or their designee shall provide the responding faculty member with a copy of the complaint.

Form: https://regulations.utah.edu/forms/chc-intake-form.pdf

Once received, in consultation with the appropriate dean(s) and chair/director (unless either is the complainant or respondent), the cognizant vice president or designee shall determine whether efforts at informal resolution are appropriate and, if so, shall take whatever steps are useful to that end. These steps may include delegation of the informal resolution process to another person, meetings with the complainant and respondent, or any other processes that the vice president or designee thinks will assist in reaching an informal resolution.
If informal resolution is inappropriate, or if additional efforts at informal resolution are not successful within 30 days of the filing of the complaint, the vice president shall forward the complaint, with a description of efforts at attaining informal resolution, to the Consolidated Hearing Committee (hereafter "CHC") and notify the respondent and the complainant, and the cognizant department chair/director and dean of the same. From this point forward, the office of the vice president shall be a party to the proceedings.

If a complaint is referred to the Consolidated Hearing Committee, please see Policy 6-011 for the full hearing process.
