

Policy 8-001, Medical Practice Plan for University of Utah School of Medicine Full-Time Faculty

Formatting and Grammar Changes:

- The policy was reformatted to fit within the new format required for policies contained within the University of Utah Regulations Library.
- Reference III.A.4 found in section I.B was II.B.4 in section I.B of the previous version.
- The lead sentence in section II was added to introduce the definitions.
- The word “policy” at the end of II.B was “section” in section V.A of the previous version.
- The word “restricted” in section III.I.5 was misspelled in section V.F.5 of the previous version and has been corrected.
- The word “from” in section III.J was misspelled in section V.G. of the previous version and has been corrected.
- The lead sentence in section IV was added to introduce the policy officer and owner.
