Re: Rule 5-200B: Paid Time Off (PTO), Holidays, Paid Parental Leave, and Other Paid Leave for University of Utah Health, Hospitals and Clinics Staff Members.

This rule revision makes several changes to PTO benefits for University of Utah Hospitals and Clinic staff members. These changes include:

- Increasing the number of holidays per year to reflect the addition of Juneteenth National Freedom day to the list of University holidays described in Policy 5-300: Holidays. 2022 Legislative General Session H.B. 238 added Juneteenth National Freedom Day to the statutory list of State Holidays. The Utah Board of Higher Education added Juneteenth National Freedom Day to the list of holidays for state institutions of higher education (See UBHE Policy R821).

- Increasing the number of paid leave hours for a parental leave from 120 hours to 240 hours for a child born or placed for adoption on or after January 1, 2023.

- Adding stillbirth or miscarriage to the circumstances under which an employee is entitled to up to 24 hours of bereavement leave. Statutory changes enacted in the 2022 General Session of the Utah legislature required the Utah Board of Higher Education to require that institutions of higher education provide three days of bereavement leave in the event of miscarriage or stillbirth. The Utah Board of Higher Education enacted this policy in UBHE Policy R821.

This rule was revised in coordination with University regulations for other University employees that address these same leave categories.

The specific changes are shown in context below.

I. Purpose and Scope

A. Purpose

The purpose of this rule is to implement Policies 5-200 (Leaves of Absence – Health Related), 5-201 (Leaves of Absence – Non-Health Related), 5-300 (Holidays), and 5-301 (Vacation Leave), and align the paid time off, holidays, parental leave, and other paid leave practices for staff employees of the University of Utah Health, Hospitals and Clinics with the practices of peer health care institutions and the needs of hospital and clinic operations while creating flexibility for a diverse workforce, allowing employees to own all of their accrued time and reducing unscheduled absences.

B. Scope

This Rule applies only to staff employees of the University of Utah Health, Hospitals and Clinics. Regulations governing all other University employees (including all University Faculty, all non-faculty academic employees, and Staff employees of all units other than Hospitals & Clinics) are provided in other Regulations, including Rule 5-200A (Scope, Eligibility and Limitations for Leaves of Absence – Health-Related – University Employees (Other than Hospitals and Clinics staff); Policy 5-201 (Leaves of Absence – Non-Health-Related); Rule 5-300A (Scope, Eligibility and Limitations for Holidays – University Employees Other Than Hospitals and Clinics Staff); and Rule 5-301A (Scope, Eligibility, and Limitations for Vacation Leave – University Employees (Other than Hospitals and Clinics Staff).

II. Definitions

The following definitions apply for the limited purposes of this rule.

A. The definitions provided in Policy 5-001, Employee Definitions, apply for purposes of this Rule, including these defined terms: Employee, Benefits-eligible Position, Full-time Equivalent (FTE), Staff Member, Exempt (Salaried) Position, Non-exempt (Hourly) Position, and Temporary.
B. Paid Time Off (PTO): PTO refers to accrued time, not including paid Holidays, that may be used by employees for any personal reason, including but not limited to observance of vacation, sick leave or other health related absences. PTO provided under this Rule incorporates and substitutes for the paid vacation and sick leave provided to non-Hospitals & Clinics employees of the University under other Regulations, and incorporates and substitutes for the Annual Personal Preference Holidays, which will not be provided separately.

C. Eligible Caregiver: for the limited purpose of determining eligibility for Parental Leave benefits means an Employee who provides the majority of child contact hours during the Employee’s regular working hours.

D. Extended Sick Leave (“ESL”): ESL refers to sick leave accruals earned during UUHC employment prior to the October 1, 2012 date of initial implementation of this Rule.

E. Holiday (“HOL”): refers to the benefit of paid days provided to University of Utah Health, Hospitals & Clinics employees as designated paid holidays observed by the University of Utah, as described in Policy 5-300 (but for purposes of this Rule for Hospitals and Clinics employees not including Annual Personal Preference Holidays).

F. Paid Parental Leave (PPL): refers to a paid leave benefit provided to University of Utah Health, Hospitals & Clinics employees that is to be used by the parent(s) in regards to a birth or adoption.

III. Rule

A. Paid Time Off (PTO) Benefits.

1. PTO Eligibility: Hospitals and Clinics staff members are eligible for PTO benefits if they hold Benefits Eligible positions at not less than 0.50 FTE. Hospitals and Clinics staff in temporary positions, or whose permanent assignment is for less than 50% FTE, are not eligible for PTO benefits.

2. PTO accrual rates:
a. Eligible Employees accrue PTO benefits monthly, at rates determined by the Employee's position, years of service (rates increase in five-year steps), and FTE of the employee position.

b. The applicable rates for 1.0 FTE positions are shown in Table 1 below.

c. Eligible employees working less than 1.0 FTE, but at least .75 FTE will accrue amounts pro-rated by their FTE.

d. Eligible employees working .50 to .74 FTE will accrue at 50% of the full time benefited rate, pro-rated by their FTE.

3. Annual PTO carry-over limits.

a. The maximum PTO accrual for Hospitals & Clinics Managers, Directors and Executive Directors is 600 hours. PTO will stop accruing when the maximum is reached and will begin accruing again when hours drop below the maximum.

b. The maximum PTO accrual for all other Hospitals & Clinics staff is 520 hours. PTO will stop accruing when the maximum is reached and will begin accruing again when hours drop below the maximum.

4. PTO during leaves. PTO benefits continue to accrue during leaves of absence with pay, but not during leaves of absence without pay.

B. Holiday (HOL) Benefits.

1. HOL Eligibility: Employees in positions of .50 FTE or greater (20 hours per week or more) are eligible for paid Holiday benefits.

2. HOL Accrual Rates: Holiday benefits (for all categories of eligible Hospitals and Clinics employees) are based on the University's approved list of tenet eleven designated holidays (governed by Policy 5-300), thereby accruing at the rate of tenet eleven days (8088 hours) per year for positions of 1.0 FTE, and prorated accordingly for positions at a lower percentage of FTE (e.g., 4044 hours annually for a .5 FTE position).

D. PTO and HOL Use and Cash Out:
1. Eligible Employees are encouraged to take time off and are expected to arrange absences in advance with their supervisors according to approved departmental standards in order to prevent disruption of departmental operations.

2. As more fully described in definition II.D above, PTO may be used for any personal reason.

3. An Employee eligible for Holiday pay who works on any designated Holiday shall receive equal time off which shall be scheduled at the mutual convenience of the employee and the Hospitals and Clinics unit, which should be scheduled within the same pay period, if possible, and if not then within the same calendar year. And if such rescheduling is not completed within that year, then that time will be cashed out and paid to the employee at the end of the calendar year.

4. Eligible Employees are entitled upon separation from benefits eligible employment to payment for accrued unused PTO and Holiday leave benefits.

5. Eligible Employees will also be given an option once in the Spring and once in the Fall to elect to receive payment for a cash out of PTO from 20 to 100 hours, provided that they will have a PTO balance of at least 120 hours (prorated by percentage of FTE) remaining after the cash out per Hospitals and Clinics PTO Guidelines.

6. In the event a Hospitals & Clinics employee transfers to a non-Hospitals and Clinics position with the University, PTO will be paid and/or transferred in accordance with Rule 5-301A. In the event a Non-Hospitals and Clinics employee transfers to a position with the Hospitals and Clinics, vacation will be paid, lost and/or transferred to PTO in accordance with relevant sections of Rule 5-301A.

E. Extended Sick Leave (ESL)
1. ESL Eligibility: Hospitals and Clinics staff members employed at the time this PTO rule was initially implemented (October 1, 2012) are eligible for transfer into ESL of their sick leave balances which had accrued up to that date (but no further sick leave accrued from that date or later). Employees hired on or after that date, including former Hospitals and Clinics employees rehired after PTO implementation and Employees who transfer to Hospitals and Clinics after PTO implementation from non-Hospitals and Clinics positions with the University, are not eligible for ESL.

2. An Employee with ESL may substitute ESL for unpaid FMLA after having used the allotted time requirement set by the University of Utah Hospital and Clinics (pro-rated by FTE) in connection with the FMLA leave occurrence.

3. Effective January 1, 2023, there will no longer be a required amount of allotted time that needs to be used prior to accessing an employee’s available ESL accruals. ESL is available for use in connection with an approved FMLA leave occurrence, or other approved medical leave occurrence as defined by Hospitals and Clinics Human Resources.

4. No payment will be made for unused ESL at any time.

F. Family and Medical Leave Act (“FMLA”) Leave (Leave Without Pay)

   a. An employee may request leave under the FMLA if the employee meets the eligibility requirements of the FMLA.

   b. An eligible Employee may request and will be granted unpaid leave for one or more eligible reasons specifically defined in the FMLA regulations.

   c. An eligible Employee may take leave under the FMLA to care for a Parent, Spouse, Child, and/or the Employee’s Domestic Partner. For purposes of this Section F only, the term “Child” means the biological, adopted, or foster child, stepchild, legal ward, or a child of a person standing in loco parentis, who is either under the age of eighteen or over the age of
eighteen and incapable of self-care on a daily basis because of a mental or physical disability that substantially limits one or more major life activities.

2. Notification and Certification of Need for FMLA leave
   a. An eligible Employee must notify the Hospitals and Clinics of the need for FMLA in the manner and within the time periods stated in the FMLA.
   b. Upon proper notification by the Employee, the Hospitals and Clinics will provide the Employee with information regarding the Employee’s rights under FMLA. The Employee shall be required to submit certification in the manner prescribed by the FMLA to confirm that the reason meets the specifications of the FMLA.

3. Substitution (Concurrent Use of Paid Leave and FMLA leave)
   a. An Employee eligible for and requesting leave under the Family and Medical Leave Act (“FMLA”) must substitute any accrued PTO/ESL to fulfill the designated eligibility period of the current disability benefit for self, and then after that time period, may substitute any accrued PTO for an equivalent of unpaid FMLA leave. All other FMLA leaves (not eligible for current disability benefit) must substitute any accrued PTO/ESL for an equivalent period of unpaid FMLA leave.

4. Benefits and Return from Leave
   a. An Employee may maintain current benefits during the FMLA leave as if the employee were actively at work in accordance with the FMLA. The Employee will be responsible for paying the employee’s share of the premiums for such coverage.
   b. Unless the Employee is separated as a result of a reduction in force, an Employee who takes an FMLA leave for the intended purpose of the leave shall be entitled, on timely return from the leave and completion of all

b. h.-An Employee wishing to apply for a Paid Parental Leave must simultaneously apply for an FMLA leave.
