Rule 4-003E Domain Name Requests  
Effective date: July 1, 2019

I. Purpose and Scope

A. The purpose of this rule is to outline website registration requirements and procedures for Institutional and Non-institutional Web Sites.

B. Compliance with these Rules and Procedures is required for all members of the University of Utah community, and governs all World Wide Web (the Web) information and communication systems utilizing University information resources, regardless of ownership, whether individually controlled or shared.

C. This rule supports section D, Web Site Registration, of the World Wide Web Policy 4-003.

II. Definitions

The definitions provided in Policy 4-003: World Wide Web Resources Policy apply for purposes of this Rule, as well as the following:

A. “Web Content Author” is any person who has been granted access and given responsibility for authoring and/or editing the content of a Web Site or Web Page.

III. Rule

Institutional Web Sites must be registered with the University Webmaster. Non-Institutional Web Sites may also be registered in order to gain access to supplemental support services provided by the University Webmaster and/or the Enterprise Web Advisory Council.
A. Website registration instructions and links are available via the University Webmaster’s U Web Resources page and the University Information Technology Service Catalog.

B. University Information Technology will maintain a registry of information collected as part of the Web Site registration process, including the following:

1. Web Site root URL.

2. Web Site owner name, department, and contact information.

3. Designated Webmaster name(s) and contact information.

4. Designated Web Content Author name(s) and contact information.

5. Domain administrator or point of contact. This includes administrators of third-level utah.edu domains as well as external registrars of non utah.edu domains (e.g. .org, .com, .net) used for institutional Web sites.

6. Technology employed and contact information for Web CMS service provider(s), if applicable.

7. If Web site conducts Web e-commerce transactions, including the date and status of the most recent security audit.

8. Verification that the Web Site is compliant with all applicable 4-003 policy requirements.

[Note: Parts IV-VII of this Regulation (and all other University Regulations) are Regulations Resource Information – the contents of which are not approved by the Academic Senate or Board of Trustees, and are to be updated from time to time as determined appropriate by the cognizant Policy Officer and the Institutional Policy Committee, as per Policy 1-001 and Rule 1-001.]
